Athletes are required to attend all competitions as a team. Practices are mandatory. If an athlete is going to miss a practice, an absent form must be filled out and handed in a minimum of 2 weeks in advance at the front desk. Athletes cannot be absent from the practice before a competition. Contact a coach or instructor immediately if an athlete will not be present due to an illness. More than 3 unexcused absences can result in removal of an athlete from a team. We are closed on the following dates:

Weather closings: In the case of extreme heat, cold, or wind, we will make a decision by 3:00PM the day in question. Any cancellations will be updated on our social media, emailed out, and sent via our DynamicElite App.

Gym Dress Code

Proper practice attire consists of the mandatory practice wear, cheer shoes, hair up, jewelry removed, and gum thrown away. Spandex shorts are required for every flyer. It is suggested to wear a sports bra under t-shirts, but cannot be worn by itself.

Competition Dress Code & Expectations

Athletes must be in full uniform, hair, make-up and bow at arrival of the competition. Athletes are representing themselves and our program, so proper behavior must be displayed at all times. Jewelry cannot be worn during a competition. Nail polish can be worn but must be white, purple, or teal. Athletes are required to be in full uniform during their team's award ceremony. Athletes must be in either their uniform or warm up suits the remainder of the competition. Athletes are recommended to be present at the competition for the entire duration to support all teams. Athletes will be expected to sit with the entire gym to promote bonding and unity. Travel expenses to competitions including hotels, tolls, and gas are not included in monthly fees.

Safety First

Understand safety of our athletes, coaches and parents is our number one priority. We treat every injury seriously. We will never attempt to diagnose an injury. We will not move athletes with a

head, spinal, or deformed injuries. If athlete endures an emergency injury with no parent or guardian on site, 911 will be called. This will be standard protocol. If parent or guardian is on site, they can make the decision to determine what the best course of action is for their child.

Coach Credentials

Coaches and instructors are USASF certified to their designated tumbling and stunting levels. They are also CPR certified. Other certifications include AACCA, NYSCA and ASEP.

Team Parents

Each team is designated a team parent. As a team parent, they will coordinate team bondings for the athletes with the assistance of all the parents, track the team at competitions including when arrival to ensure all athletes are present and making sure the team is together for the coaches to head into warm ups and for awards, and make all parents feel welcome to the team whether they are veterans or new parents to our organization. Lastly, they will provide reminders for important dates for the team.

The Dynamic Elite Parent Booster Club

Our Parent Booster Club assists in the purchase of new equipment for our athletes. They also provide fundraisers to offset monthly costs for our families throughout the year. They also put together our annual end of the year banquet. Boosters are a non-profit 501C. All new program participants pay \$50 into the Dynamic Elite Parent Booster Club as a one-time fee.

Venue Event Fundraising

Families have the opportunity to offset monthly tuition costs by volunteering their time and signing up to work concession stands at events done at different venues including the Blue Cross Arena in Rochester, NY, Lakeview Amphitheater in Syracuse, NY, and The Bingo Hall in Gates. You may use fundraising credits for the following items: monthly tuition, camps/clinics, open gyms, or instructional classes. Fundraising credits are not refunded at any time. Money that is fundraised is paid to Dynamic Elite Athletics, LLC. We as a program choose to allow you to have individual accounts. If you choose to leave our program, you will have a maximum amount of 90 days to use your credits before they are removed from your account.
