The selection of teams is a very tedious and often complicated process. We must choose a well-rounded variety of individuals for each team. Each athlete will be placed into a program based off the evaluation questionnaire, commitment level, skills, age, and it is our decision to place athletes on our full year elite or full year prep teams. Once the teams are finalized, an email will be sent to the parents with their child's team name, practice schedule, and coach information.

Jackrabbit Account

If you are a returning member, please log into the customer portal and ensure all family information is up to date. If you are a new family, please make sure to complete creating an account prior to evaluations and that the registration fee is paid.

1. Go to the website at DynamicEliteAthletics.com, then click on "Register For A Team." This will take you directly to the Jackrabbit system where you can fill out all of your family's information.
2. You must "Enroll In A Class" labeled "2019-2020 Full Year Registration."
3. Registration fee is processed upon submission.
4. The parent portal will allow you to enroll in classes, register for events, make payments on your account, and see all activity.

Facebook Account

Our all star teams have their own private Facebook groups to easily communicate information out to parents. Although we do provide emails at times, most of our communication is on the closed Facebook groups. Each family needs at least one parent to have a Facebook account in order to be added to these groups so you receive the most up to date information.

Attendance

Full year teams begin practice the first week in June and run indefinitely until the final performance competition at the end of the year. Athletes are required to attend all practices and competitions as a team. Full year all star cheer teams are a 12 month commitment and you are signing off on committing for the entirety of the year.

General Absences

Every program will be given an allotted amount of excused and unexcused absences each season. An email receipt will be provided to the family with an updated absence count at the time of an absence form or absence in general. Athletes will either be removed for their teams and be given the opportunity to be placed into a different program or removed from our all star program completely if they exceed their excused/unexcused absence amount. If an athlete is going to miss a practice, an absent form must be filled out and handed in a minimum of 2 weeks in advance at the front desk. Any absent forms that are handed in less than 2 weeks in advance will be considered unexcused. Athletes cannot be absent from their final practice before a competition. All known vacations, concerts, or other known absences must be provided to us on the day of evaluations on the evaluation questionnaire. Full year programs will be allotted the following amount of absences for the entirety of 12 months: Maximum Excused Absences = 8 | Maximum Unexcused Absences = 5

High School Athlete Absences

We do allow athletes to join high school teams (varsity, junior varsity, and modified levels) but not at the expense of missing our practices or competitions. Parents and/or athletes will need to provide their high school coaches their all star schedule and competition schedule at tryouts. Our practice schedule and competition schedule will not be modified due to conflicts. Any violation of this policy will result in transferring athletes to a more suited scheduled program.

Recreational/Town/Youth Leagues

We do allow athletes to join their recreational/town/youth league teams, but not at the expense of missing our practices or competitions. Parents and/or athletes will need to provide their recreational/town/youth league coaches their all star schedule and competition schedule at tryouts. Our practice schedule and competition schedule will not be modified due to conflicts. Any violation of this policy will result in transferring athletes to a more suited scheduled program. The absence policy will remain in full effect with only so many allotted excused/unexcused absences from an athlete.

Sickness or Illness

Contact the gym immediately if an athlete will not be present due to a sickness or illness. A doctor's note must be provided if a sickness or illness lasts longer than one day or requires an athlete to not fully participate as normal between two consecutive practices. The only acceptable excused illnesses are vomiting, diarrhea, or a fever. Children are still required to come to practice, even if they do not participate, if they do not have a doctor's note or the following illnesses above.

Vacations/Time Off

All known vacations or time off will need to be given at evaluations on the evaluation questionnaire. Please remember that each athlete has a limited amount of excused absences. If a family takes a week long vacation and misses 3 practices, you are choosing to already participate in 3 excused absences of your allotted amount. No vacations or time off can be booked after evaluations until our

competition schedule has been completed by August 31, 2019. Once the competition schedule has been confirmed, you may book vacations/time off with the understanding of our absence policies.

Practice Wear

Proper practice attire consists of the mandatory practice wear, a sports bra under their practice wear, cheer shoes on, hair up, jewelry removed, and gum thrown away.

Prepared For Practice

Practice will begin promptly at the designated times provided. All athletes must be completely ready to hit the floor to start practice. Being ready means children have gone to the bathroom, have their mandatory practice wear on, cheer shoes on, jewelry off, hair up, and water bottles in hand. All Star athletes should arrive 10-15 minutes early in order to fully prepare for practice.

Practice Schedule

Practice schedules are determined once the teams have been finalized after evaluations and depend on the program each family is committing to.

- Full Year Elite Teams: 2 hour practices 2 weeknights per week during the Summer. After 9/2/2019 Labor Day, practice will switch to 1 week night practice for 1.5 hours and a 2 hour Sunday practice.
- Full Year Prep Teams: 2 hour practice 1 weeknight per week during the Summer. After 9/2/2019 Labor Day, practice will switch to 1 week night practice for 1.5 hours and a 1.5 hour Sunday practice.

Competition Dress Code & Expectations

Athletes must be in full uniform, hair, make-up and bow by the arrival time of the competition for their specific team. Athletes are representing themselves and our program, so proper behavior must be displayed at all times. Jewelry cannot be worn during a competition. Nail polish can be worn but must be black, white, purple, or teal. Athletes cannot have fake nails at any point during practices or competitions. Athletes are required to be in full uniform during their team's award ceremony. Athletes are required to wear their warm up suits or baseball jerseys the remainder of the competition. Athletes are recommended to be present at the competition for the entire duration to support all teams. Athletes will be expected to sit with the entire gym to promote bonding and unity. Travel expenses to competitions including hotels, tolls, and gas are not included in monthly fees and are a completely separate expense for families.

Competition Schedule

The final competition performance times are sent to us the Wednesday prior to the competition that weekend. We will send out the arrival times, performance times, and award times on the Thursday prior to the competition. Please do not ask for times any earlier.

Competition Bids

The ultimate goal for our full year teams is to attend competitions throughout the season in order to achieve bids to our final end of the year competitions. We only take teams that have achieved a 1st place bid or a Gold Bid to The U.S. Finals. A 1st place bid means the team attended a U.S. Finals qualifier and placed 1st in their division. A Gold Bid means the team attended a U.S. Finals qualifier and had the highest score in their session or however the event producer decides to hand out Gold Bids at that competition. Teams that achieve a Gold Bid will not pay for registration for The U.S. Finals competition.

Our Elite teams will also accept At-Large bids to The D2 Summit. These bids are achieved at 2 day competitions only. A determination meeting and vote will be held with the team's parents once an At-Large bid is achieved whether the team will attend or not. If 85% or more of the parents are in agreement with attending the D2 Summit, then the team will go. Extra expenses and fees will be determined at that time.

Safety First

Understand safety of our athletes, coaches and parents is our number one priority. We treat every injury seriously. We will never attempt to diagnose an injury. We will not move athletes with a head, spinal, or deformed injuries. If athlete endures an emergency injury with no parent or guardian on site, 911 will be called. This will be standard protocol. If parent or guardian is on site, they can make the decision to determine what the best course of action is for their child.

Long Term Injury

If your child suffers a long term injury, the gym must be notified immediately. A doctor's note must be provided and consistent updates must be provided to the gym during the injury as doctor appointments happen. Depending on the length of the injury, fees may be adjusted, but a determination will be made between the gym and the family.

Coach Credentials

Coaches are fully background checked through USASF, the governing body for all stars in The United States. They are also CPR and First Aid certified.

Team Parents

Each team has a volunteered team parent. As a team parent, they coordinate team bondings, track athlete arrivals at competitions, gather athletes for warm ups and awards at competitions, make new and returning members feel welcomed, and are a liaison with the coaching and office staff. They provide important reminders and updates to the parents.

Showcase Date & Participation

Our annual Purple & Teal Reveal Showcase is an opportunity for our full year teams to perform their routines for family and friends. This event will be held at our facility and all full year athletes are required to attend the showcase. This season's full year team's showcase will be held on: **Saturday, November 16, 2019.**

The Dynamic Elite Parent Booster Club

Our Parent Booster Club consists of volunteer parents. Parents are nominated and voted on into their specific positions. They assist in the purchase of new equipment for our athletes. They also provide fundraisers to offset monthly costs for our families throughout the year. They put together our annual end of the year banquet for all of our members. Boosters are a non-profit 501C. All new families or non-consecutive returning families pay \$50 into the Dynamic Elite Parent Booster Club. Returning families pay a \$25 booster fee each season.

Venue Fundraising

Families have the opportunity to offset monthly tuition costs by volunteering their time and signing up to work Bingo once a month at The Gates Bingo Hall. The payout is \$90 per month for this fundraiser. Also, there is volunteered concession stand work at events done at different venues including the Blue Cross Arena in Rochester, NY and Lakeview Amphitheater in Syracuse, NY. You may use fundraising credits for in gym purchases only. Fundraising credits are not refunded at any time or paid out. Money that is fundraised is paid to Dynamic Elite Athletics and will remain on each family's account indefinitely.

Private lessons are a 1 on 1 session with our instructors. Instructors set their own availability. Prices vary based on experience and certifications. If a gym account is past due, private lessons will be cancelled until gym account is brought current. At no time can private lessons be taken at any direct competitor while on an All Star team for Dynamic Elite Athletics.

Instructional Classes

All Star members can enroll into 2 classes per week for \$50 per month per athlete. At no time can classes be taken at any direct competitor while on an All Star team for Dynamic Elite Athletics.

Flyer Policy

A flyer is a specific position on our teams and requires extra time in the gym to be in this position. If a coach determines that an athlete will fly in any capacity on their team, they will be required to attend a mandatory flyer class instructed by one of their coaches a half an hour prior to their scheduled practice. A flyer includes any toss, pyramid stunt, and single leg series.
