

REOPENING SAFETY & SANITATION GUIDELINES

Pick-Up & Drop-Off

- We ask all parents to wait inside your vehicle upon arrival, unless you are accompanying your child to the main entrance.
- Only staff and students will be permitted into our facility.
- All doors will be propped open for minimal surface contact.
- Suite 2 door (main entrance door) will be an entrance only door.
- Students will only be allowed to enter a maximum of 10 minutes prior to their event beginning.
- Students will only be permitted to have a labeled water bottle (drinking fountain temporarily be unavailable), individual hand sanitizer, cell phone, and face mask. No bags, extra clothes, food, or any other materials will be allowed inside our facility.
- Suite 3 door will be an exit only door.
- Parents/guardians can meet their child outside at the exit (Suite 3 door) as long as they have a face covering on.

Facility Layout Traffic Flow

- Both staff and students will enter our facility and immediately step in our shoe sanitizer container. This will apply a small amount of sanitizer to the bottom of the shoe.
- Staff and students will be given a temperature check while in the shoe sanitizer container.
- Temperatures of 100.4 or higher will not be permitted to enter any further and will need to turn around and proceed back to their vehicle.
- Upon having a temperature of 100.4 or below, staff and students will hold out their hands to be sprayed with sanitizer.
- Once their hands have been sanitized, students will wait on a marker on the small teal floor, which creates a 6 ft social distance between all students.

- Staff will call their students for their class and start to position them on the markers, creating a 6 ft social distance between all students.
- Once the class has completed, students will exit the facility through our Suite 3 door.
- The majority of the lobby, all of the gym viewing room, and the athlete cubby room will be closed.

Overall Health & Contact Tracing

- Staff and students, who feel ill or sick, will be asked to stay home.
- Staff and students that show symptoms of sickness will be sent home.
- We must be notified by a parent/guardian if their child tests positive for COVID19 or if someone they have been in contact with tests positive.
- If a staff member tests positive for COVID19, all families involved will be contacted to get their child and themselves tested. The staff member will be out of work for a minimum of two weeks and must test negative in order to return back to work.
- There will be no physical contact between staff and students for any instructional purposes.
- Sign reminders will be placed to remind everyone to socially distance themselves for one another.
- 20-second hand washing signs will be placed in the bathrooms to remind everyone how to properly wash their hands.

Cleaning & Sanitation

- The facility floors and surfaces will be sprayed down with Guardian-50 Broad Spectrum Sanitizer nightly.
- All gym equipment will be disinfected after each use.
- Bathrooms will be consistently disinfected and wiped down throughout the evening.

Air Circulation

- During the entirety of our events in the gym: all garage doors will be open, ceiling fans will be on, and standing fans will be on to create proper air flow inside the gym.

Continued Digital Communication

- We ask parents/guardians to continue utilizing email or phone calls as the main source of communication with us.
- Use the parent portal to access your account, which can be found in the DynamicElite app or on our website at DynamicEliteAthletics.com
- Use debit/credit card payments as the main source of payments to limit the contact surface of checks or cash.
