WELCOME TO SEASON 10 @ DYNAMIC ELITE ATHLETICS

Safety Is Our #1 Priority

The safety of our athletes, parents, and staff is our number one priority inside and outside of the gym. Between the health of our athletes, creating a sanitary environment in the gym, ensuring security of our families, and treating illness and injuries seriously, we strive to create the safest facility for all of our members. As we are not medical professionals, we will not attempt to diagnose an illness or injury. A parent or guardian will be contacted if a child starts to feel ill or if they are injured while in the gym if we deem necessary. If the illness or injury is not interpreted to be serious by the gym administrators or staff, the parent or guardian will be notified at the end of practice to keep the parent or guardian communicated. A parent or guardian will also be contacted before any medicine is provided to a minor. Children that incur an injury that involves the head, spine, and/or show any deformity to the body will not be moved. Our standard protocol is to call 911 immediately upon a serious injury occurring inside or outside of the gym, regardless of health insurance of the child and/or family. A parent or guardian will also be contacted if they are not on the premise of our facility once we have secured an ambulance to help the injured child. Injuries are rare occurrences in our facility, but it is important to be aware of the physical risk through the art of cheerleading.

Program Goals

- Provide athletic training to children and adults with intellectual and physical disabilities.
- Create a program that gives athletes with disabilities the opportunity to develop physical fitness, demonstrate courage and determination, experience joy and success, and participate in the social aspects of friendship and teamwork in a safe and encouraging environment.

Jackrabbit Account

If you are a returning member, please log into the parent portal and ensure all family information is up to date. If you are a new family, please make sure to create an account prior to evaluations and that the registration fee is paid or your child will not be able to participate at evaluations.

1. Go to the website at **DynamicEliteAthletics.com**, then click on “**Register For A Team.**” This will take you directly to the Jackrabbit system where you can fill out all of your family’s information.
2. You must “**Enroll In A Class**” labeled “**2022-2023 Perfect Cut Registration**”
3. Registration fee is processed upon submission.
4. The parent portal will allow you to enroll in classes, register for events, make payments on your account, and see all activity.

USASF Profile

USASF stands for The United States All Star Federation, which is a non-profit organization that provides guidance and policies for all star cheerleading and dance across the nation. Every athlete in our program will have a profile with USASF that the parents will create/maintain. This allows us to register their team(s) for the USASF sanctioned events we attend. Parents or Adult Athletes will be responsible for maintaining their child or their own USASF profile. Each profile will need to have up-to-date information as well as a birth certificate uploaded to verify their date of birth. Adult athletes will need to submit a background check and go through safety trainings before their profile becomes eligible. There is an annual fee of \$49 that will need to be paid directly through the profile by October 31, 2022.

Email & Facebook Accounts

All of our communication will come in the form of two ways: email or on the team’s private Facebook group. Each family will need at least one representative to have a Facebook account in order to be added to these groups so they receive the most up to date information. Only parents or athletes are eligible to be on the Facebook group. Grandparents, aunts, uncles, friends, other family members cannot join the groups, so please do not have them request to do so. Their requests will be denied. Email will need to be checked daily to ensure proper communication. Please do not

WELCOME TO SEASON 10 @ DYNAMIC ELITE ATHLETICS

privately message any of our staff or coaches directly. Please email the gym at allstar@dynamiceliteathletics.com for any questions, comments, or concerns.

Coach Credentials

Coaches are fully background checked through USASF. They also go through Safe@AllStar training, CPR and First Aid training, New York State Sexual Harassment training, and are Credentialed through USASF in building skills and tumbling for their designated team levels so that we can provide assurance of safe coaching ability and knowledge.

Athlete Of The Month

Every month our coaches will submit their nomination for the Athlete Of The Month. We look for athlete's that demonstrate leadership, confidence, skill building, progression, assistance in practice, and simply being truly Dynamic. The chosen athlete will be given a basket with their favorite snacks/drinks as well as an Athlete Of The Month t-shirt and bow in front of their team and coaches. The presentation will be recorded and post on our social media platforms for the entire community to see the wonderful honor.

Attendance

CheerAbilities teams begin practice in October and run indefinitely until the final performance competition at the end of the year or we deem worthy. Athletes are required to attend all practices and competitions as a team. CheerAbilities teams are a 6-month commitment and families are signing off on committing for the entirety of the 2022-2023 season. Athletes are still to attend all practices and competitions in support of their team even if they are not competing with their team to show unity. If an athlete does not come to a required event, practice, and/or competition, they are subject to be fully removed from the team/program.

Sibling Attendance

We understand that many families will have multiple children on different teams or programs within our gym. It's important that siblings attend their designated practice/competitions even if their sibling has a practice/competition they'll be attending at the same time. The general absence policy below remains in effect for all athletes to attend their practices/competitions. We do suggest emailing us an absence a minimum of one week in advance if an athlete will be traveling with their competing sibling so it will be considered a "Scheduled Absence." Those absences can be retracted later if the athlete will be able to attend the practice that was sent in as an absence. Please keep in mind there are an allotted amount of absences each season with a fee once that allotment has been fulfilled.

General Absences

Every program has an allotted amount of scheduled and unscheduled absences each season. An email receipt will be provided to the family with an updated absence count at the time of an absence email or absence in general. If an athlete is scheduled to miss a practice, an absent email must be provided a **minimum of 1 week in advance**. Any absent email less than 1 week in advance will be considered an unscheduled absence. Athletes cannot be absent from their final two practices before a competition. All known scheduled absences will be provided to us on the evaluation application at the start of the season. Tiny novice programs will be allotted the following amount of absences for the entirety of 7 months:

Maximum Scheduled Absences = 4 | Maximum Unscheduled Absences = 2

If an athlete exceeds the allotted amount of absences for the season, there will be a \$30 per absence charge automatically to the account. If the athlete misses one or both of the two consecutive practices prior to a competition, there is a \$50 charge per absence and the athlete will be subject to not compete at the competition with their team. There are no competition fee refunds for athletes that do not perform with their team due to a policy being broken.

WELCOME TO SEASON 10 @ DYNAMIC ELITE ATHLETICS

Blackout Dates

Athletes cannot be absent from the following: a competition, both practices consecutively before a competition, the Purple & Teal Reveal, and the finals showoff (our end of the year in-gym performance before teams attend their final competition of the season.) All of these dates will be given in advance to avoid any conflicts.

High School Athlete Absences

We do allow athletes to join high school teams (varsity, junior varsity, and modified levels) but not at the expense of missing our practices or competitions. Parents and/or athletes will need to provide their high school coaches their all star practice schedule and competition schedule. Our practice schedule and competition schedule will not be modified due to conflicts. Any violation of this policy will result in transferring athletes to a more suited scheduled program or potential removal from their team. The absence policy will remain in full effect with only so many allotted scheduled/unscheduled absences from an athlete.

Recreational/Town/Youth Leagues

We do allow athletes to join their recreational/town/youth league teams, but not at the expense of missing our practices or competitions. Parents and/or athletes will need to provide their recreational/town/youth league coaches their all star practice schedule and competition schedule. Our practice schedule and competition schedule will not be modified due to conflicts. Any violation of this policy will result in transferring athletes to a more suited scheduled program or potential removal from their team. The absence policy will remain in full effect with only so many allotted scheduled/unscheduled absences from an athlete.

Sickness /Illness

Contact the gym if your child will not be physically present for practice due to a sickness or illness. We do ask the exact reason an athlete cannot come to practice. A doctor's note is required if an athlete cannot participate in two consecutive practices due to an illness. If an athlete cannot physically come to practice due to an illness, we do ask they attend practice virtually for the entirety of the practice or come to practice in a face mask, if they are able to. The only excused absences without a doctor's note are the following:

- Persistent fever greater than 100.4 degrees.
- Vomiting more than 2 times within a 24-hour time frame.
- Consistent diarrhea that can't be controlled.
- Contagious viruses including strep, flu, or COVID-19 when your child has not been on antibiotics for at least 24 hours or tested to provide a negative result.

We do our best to accommodate children getting better from an illness while creating the best success for their team. If you have a question on an athlete's ability to participate in practice please contact us. An athlete missing practice due to a sickness/illness does not count against their allotted absences for the season.

Short/Long Term Injury

If an athlete suffers a short or long term injury, the gym must be notified immediately prior to the parent or the child posting it on social media. A doctor's note must be provided and consistent updates must be provided to the gym during the injury as doctor appointments happen. Depending on the length of the injury, fees may be adjusted, but a determination will be made between the gym and the family.

Vacations/Time Off

We realize that many families attend vacations throughout the year. Please provide all known vacations or time off on the evaluation application. Please remember that each athlete has a limited

WELCOME TO SEASON 10 @ DYNAMIC ELITE ATHLETICS

amount of scheduled absences. A week long vacation may use up to 3 scheduled absences of your allotted amount.

There will be no all star practices on the following dates:

10/31/2022	Halloween
11/24/2022	Thanksgiving Day
12/24/2022-12/26/2022	Christmas Break
12/31/2022-01/01/2023	New Year Break
04/09/2023	Easter

Competition season runs from the beginning of February until the end of March, so please do not start to book or plan vacations during those times as we may have scheduled competitions, which athletes will need to be in attendance for the two consecutive practices prior to the competition and the competition itself. This includes Winter Recess and Spring Break weeks.

Weather closings: In the case of extreme heat, cold, or wind, we will make a decision by 3:00pm the day in question. Any cancellations will be updated on our social media and emailed.

Natural Disasters & Pandemics

If a natural disaster or pandemic occurs where our facility can no longer be practiced in, we will do our best to accommodate a situation of this caliber by finding new space to permanently or temporarily practice in. If we cannot physically come together to practice, we will move our practices to virtual practices through Zoom for the time being until the facility is safe to return to. All athletes will be required to attend the virtual practices and all policies within this informational handbook stand as is. If needed for any reason, credits will be processed onto family's account in Jackrabbit. Refunds will not be directly provided back to a debit/credit card for any reason, at any time.

Prepared For Practice

Practice will begin promptly at the designated times provided. All athletes must be completely ready to hit the floor to start practice. Being ready means athlete's have gone to the bathroom, have their mandatory practice wear on, cheer shoes on, jewelry off, hair up, and water bottles in hand. Athletes should arrive 5-10 minutes before their actual practice time in order to fully prepare themselves for practice.

Practice Wear

Proper practice attire consists of the mandatory practice wear, cheer shoes, hair up, jewelry removed, and gum thrown away. The only acceptable cover up during a practice is an athlete's warm up jacket and/or warm up pants. Warm ups can be removed once the team is on a break. Female athletes are also required to wear a sports bra under their mandatory practice wear, no matter their age.

Practice Schedules

1 hour every Saturday morning from 9:00am-10:00am.

Competition Schedule

They are subject to change throughout the season if we deem necessary.

The final competition performance times are sent to us the Wednesday night prior to the competition that weekend. We will send out the arrival times, performance times, and award times

WELCOME TO SEASON 10 @ DYNAMIC ELITE ATHLETICS

as quickly as we can, either on Wednesday night or on the Thursday prior to the competition. Please do not ask for times earlier than Thursday.

All competitions for the CheerAbilities Teams will be 1-day performance events. Please plan on a Saturday – Sunday schedule for those weekends.

Date	Competition	Location
TBD (potentially 11/06/2022)	The Purple & Teal Reveal	Rochester, NY
02/04/2023	Shout Cheer & Dance	Rochester, NY
02/18/2023	ROC Spirit Cheer & Dance	Rochester, NY
03/25/2023 or 03/26/2023	Encore Showdown	Rochester, NY

Competition Dress Code & Expectations

Athletes must be in full uniform, hair, make-up and bow by the **arrival time** of the competition for their specific team. Athletes are representing themselves and our program, so proper behavior must be displayed at all times. Jewelry cannot be worn during a competition. Nails cannot exceed a $\frac{1}{4}$ inch over the finger. Nail polish can be worn but must be black, purple, or teal. Athletes can have acrylic nails but must comply with the $\frac{1}{4}$ inch over the finger length. Athletes are required to be in full uniform when they are not performing and during their team's award ceremony. If athletes want to cover up their uniform at a competition, they are able to wear their warm ups or baseball jerseys only. Athletes are required to attend a competition to support their team even if they are not performing with them for any reason. Athletes are recommended to be present at the competition for the entire duration to support all teams. Athletes will be expected to sit with the entire gym to promote bonding and unity. Travel expenses to competitions including hotels, tolls, and gas are not included in monthly installments and are a completely separate expense for families.

Competition Hair, Bow, and Make Up

- Hair - The end result for competition hair, bow, and make up should be a tight, professional, clean look. Hair should be fully pulled back into a high ponytail with fly aways hair sprayed down so the bow can sit up right on top of the head. A tease should be added to the hair in order to create a full, clean look. Athletes with hair too short to put into a high ponytail will need to still have a clean look. Athletes with ethnic hair will still keep a clean look and can keep their hair natural. If they can put their hair into a ponytail, we do ask for them to do so. Hairpieces are also recommended for all hair types.
- Bow will have a designated way it needs to sit on top of the head. It should be upright facing forward, not laying down flat on the head. Athletes with hair too short to put into a ponytail will need to let the gym know ahead of time to request a bow that will include a headband, instead of the traditional hair ties.
- Make-up directions will be sent out in advance. Photos will be provided ahead of time so ensure parents know the competition appearance expectation for hair, bow, and make-up. Many of our veteran coaches and families are able to help to fulfill the look we are aiming for.

Hotel Accommodations

Some competitions require StaySmart lodging that must be booked through the event producer only. They provide many options for rooms and hotels with discounted nightly rates. This will mostly apply to the Worlds and Elite team competitions.

If there is not a specific lodging requirement, families are free to choose hotels that best fit your needs and budget. Because it has been our experience for our families to have a wide variety of

WELCOME TO SEASON 10 @ DYNAMIC ELITE ATHLETICS

tastes, budgets, and styles of travel, we do not reserve group hotel rooms, nor do we require our families to stay in one hotel.

At times, a group rate link will be provided on the team's Facebook group, but is not required to book at that hotel or at the group rate. Families can post their accommodations on the team's Facebook group if they'd like to coordinate with other families on where they are staying. Many families have their children bond the night before a competition.

Plan For Bad Weather

While it is tempting to reduce costs by traveling to a competition the day of, please be sure to plan for potentially bad weather, particularly in the winter months. Competitions are rarely cancelled due to weather, so a five or six hour drive in good weather can easily turn into a ten or twelve hour drive in bad weather.

We suggest booking hotel rooms that can be canceled minimally 24-48 hours in advance. Because final competition schedules are sent out the Wednesday night before the competition that weekend, having to cancel hotel rooms on a Wednesday is not sufficient to our timeline. Please do not book hotel rooms to save the extra money when you have to cancel more than 24-48 hours in advance.

Spectator/Parking Fees

A spectator fee is the fee to get into a venue for a competition. This charge comes from the event producer, not the gym. The amount of the spectator fee usually ranges from \$15-\$25 per person. Many events accept cash only for this fee, so please plan accordingly. Some venues are in downtown cities; where there is a fee to park your vehicle, in which many accept cash only for this fee. Our overall suggestion is to bring cash in the amount of \$20 x the amount of people going into the venue and \$40 for parking, just to be on the safe side.

The Purple & Teal Reveal Date and Participation

Our annual Purple & Teal Reveal is an opportunity for our teams to perform their routines for family and friends. All athletes are required to attend the showcase. This season's showcase date will be subject to change, but potentially November 6, 2022.

Crossover Athlete

A crossover athlete commits to more than one team. Families will be asked to cross to a second team if we find that will create the best success for the athlete and the teams. It is our discretion of allowing athletes to be on more than one team based on many factors. Fees for crossovers are in addition to their first team. Crossovers will be determined by skill level, mental capability, schedule, other sports/activities, and willingness by the athlete. At times throughout a season, we may ask an athlete to fill in for an athlete that is unable to perform with their team.

A crossover athlete will have a maximum number of scheduled absences = 8, maximum number of unscheduled absences remains the same = 4.

Alternate Athlete

An alternate athlete commits to being part of a team, will know/learn the routine, and will be able to jump in for a competition if an athlete is unable to perform. They will not regularly compete with the team, but will be on the team roster as a reserved athlete at competitions, unless they need to step in to compete. They will attend all practices with their team. Fees will vary.

The Dynamic Elite Parent Booster Club

The Dynamic Elite Parent Booster Club consists of volunteer parents. Parents are nominated and voted into their positions. They assist in the purchase of new equipment for our athletes, provide fundraisers to offset monthly costs for our families throughout the year, and plan/host the annual end of the year banquet for our families. The Boosters are a non-profit 501C organization. All new

WELCOME TO SEASON 10 @ DYNAMIC ELITE ATHLETICS

families or non-consecutive returning families pay \$50 into the Dynamic Elite Parent Booster Club. Returning families pay a \$25 booster fee annually. Although families are not required to buy into The Boosters, they cannot participate in the fundraisers throughout the season without doing so.

End Of The Year Banquet

In May, The Dynamic Elite Parent Boosters will invite families to attend a banquet, which is a celebration of the athlete's successes for the season. There will be fun activities, food, raffles, and awards. The Boosters will cover the athlete ticket for the banquet if the family bought into the Booster Club. We highly encourage all families to participate so everyone can bask in the joy of hard work from the season. It's a great event every season!

Team Parents

Each team has a team parent, which is a volunteered position from one parent of an athlete on the team. As a team parent, they coordinate bonding between the team, track athlete arrivals at competitions, gather athletes for warm ups and awards at competitions, make new and returning members feel welcomed, collect and submit photos for the end of the year slideshow, and are a liaison with the coaching and office staff. They provide important reminders and updates for parents while being a Dynamic culture advocate for their family and their team's families.

Venue & Event Fundraising

Families have the opportunity to offset monthly tuition costs by volunteering their time and signing up to work at different venues and events only through Dynamic Elite Athletics. If you are interested in venue and event fundraising opportunities, please email the gym directly.

One option family's have is working bingo once or twice a month at The Gates Bingo Hall. The payout is \$90-\$180 per month for this fundraiser. This option has limited availability. Only one person per family can volunteer for Bingo. The volunteered person is committing to 14 bingo events per year.

The second option is to volunteer at concession stand work at events done at different venues including the Blue Cross Arena, Lakeview Amphitheater in Syracuse, Darien Lake Concerts, and The ROC Dome Arena Events. More than one person per family can volunteer for these events. This opportunity does not have a minimum commitment. Each volunteer will sign up for specific events to work. There is mandatory training that must be completed prior to volunteering.

You may use fundraising credits for in gym purchases only. Fundraising credits are not refunded at any time or paid out directly. Money that is fundraised is paid to Dynamic Elite Athletics and will remain on each family's account for one full year unless the family leaves our program and commits at least one child to a direct competitor, in which, at that time, fundraising credits will be removed from the family's account. Fundraising credits can be transferred to another family with confirmation from the fundraising family.

Fundraising

Fundraising is a benefit to assist and offset monthly installments, however, credits do not come instantly. Typically, payments take between 4-6 weeks before they are added to a family's account after the fundraiser has been completed. Fundraising credits assist in future monthly installments only. If at any time there are individual financial issues, please contact the gym. We do our best to work with families, but cannot make guarantee accommodations every month. Any type of venue fundraising or fundraising credits on an account will remain on an account for a maximum of one year unless the family leaves our program and commits a minimum of one child to a direct competition of ours. If a family has committed to a direct competitor's program, their credits will be removed from their account immediately.

WELCOME TO SEASON 10 @ DYNAMIC ELITE ATHLETICS

We will also provide fundraiser templates that can be posted where families will collect fees directly such as our uniform and end of the year competition fundraisers. These are known as “Sponsor My” fundraisers. Donations can be accepted in any amount so family and friends of our athletes can help offset costs for the family.

Private Lessons

Private lessons are a 1 on 1 session with our staff. Staff set their own availability. Prices vary based on experience and certifications. If a gym account is past due, private lessons will be cancelled until the gym account is brought current. At no time can private lessons be taken at any direct competitor while on a team for Dynamic Elite Athletics. A direct competitor is any business that offers cheer/tumbling/stunting private lessons, cheer/tumbling/stunting classes, competitive and non-competitive all star cheerleading teams.

Instructional Classes

Athletes registered or currently on a team can enroll into classes at a rate of \$75/month = up to 2 classes per week per athlete. At no time can classes be taken at any direct competitor while on a team for Dynamic Elite Athletics. A direct competitor is any business that offers cheer/tumbling/stunting private lessons, cheer/tumbling/stunting classes, competitive and non-competitive all star cheerleading teams.

- Smoking is not permitted in front or behind our building. Please respect our other members and find a private area.
- Parents must supervise all children at all times. We want families to be able to socialize, but not at the disruption of our business. This includes in between athletes taking classes and having 30-60 minutes before their practice. All kids must be attended for.
- Communication is a high priority to us. Please contact us via email or by giving the gym a call. Do not contact us via Facebook message or text message. We will respond within a 24-48 hour time period. Any critical concerns should be brought to our attention immediately.

Program Costs

The program in its entirety costs a specific amount. If paid in full, there is no interest that is applied. The amount will need to be paid by a designated date if a family would like to pay in full.

Payment Breakdown	Amount Due	Payment Due	Interest Added
Full Payment	\$600	10/15/2022	-
Or 6 Installments	\$120	10/15/2022-03/15/202	+7%

Monthly Installments

Conveniently, we offer monthly installments for our families that do not wish to pay the program cost in full at the beginning of the season. Because the gym is essentially paying all the costs up front, and having these fees paid back to us in monthly installments, we are providing a loan for our families. These types of monthly installments will have 7% interested added as seen above.

WELCOME TO SEASON 10 @ DYNAMIC ELITE ATHLETICS

How You Can Pay Monthly

Installments are charged the 15th of every month starting October 15, over the course of 6 consecutive months with the final installment on March 15 automatically to the card(s) on file in the Jackrabbit account. Installments are posted by the 2nd of each month for the following month. Families can make payments on their account at any time even if your monthly installment has not been posted. Cash, checks, and all major credit cards are accepted, but please note that if you are paying with cash or check you are required to make the payment prior to the 15th of each month. No refunds will be given for any payments that have been processed for any reason, at any point.

If there is any amount of a balance on a family's account on the 25th of the month from a previous scheduled monthly installment payment due on the 15th, the athlete will sit from practice until the balance on the account is paid in full. The coaches will be notified that the child will not be able to participate in practice until further notice. If there are any financial concerns, please contact the gym directly so we can discuss options. For example, if the payment is due November 15, 2022 and does not process, a late fee will be added on November 20, 2022 and by November 25, 2022, the child will no longer participate in the practices until further notice.
