

2023-2024 TINY NOVICE

We are excited to welcome you to season 11 at Dynamic Elite Athletics! Our mission is to train children and adults to gain confidence, self-respect, teamwork and sportsmanship within a safe, disciplined, and family friendly environment through the art of cheer, tumbling, and other life skills.

Our tiny novice all star cheerleading program is open to all athletes born between 2016-2017. These types of monthly installments will have 7% interested added. If you do not wish to pay monthly, please contact us for full payment pricing.

What's Included In My Monthly Installment?

Monthly installments include tuition, practice wear, a warm up jacket, team music, competition make up, a competition bow, and competition fees and are charged on the schedule above. A competition uniform is the only separate fee that will be charged on the schedule above. Other fees include the \$50 Dynamic Elite Parent Booster Club buy-in and the end of the season competition fee. Other fees may occur throughout the season and families will be notified in a advance if needed.
