

# 2023-2024 CHEERABILITIES

We are excited to welcome you to season 11 at Dynamic Elite Athletics! Our mission is to train children and adults to gain confidence, self-respect, teamwork and sportsmanship within a safe, disciplined, and family friendly environment through the art of cheer, tumbling, and other life skills.

Our Core Values are: committed, family, integrity, leadership, motivating, positivity, and character.

Our CheerAbilities all star cheerleading programs are open to any aged athletes with any type of physical or mental disability. We place individuals of all skill levels and will form teams based on overall abilities that will create success for the athletes and their team. Our organization was established in 2013, opening our doors with 3 athletes, expanding to over 150 athletes in our all star cheerleading programs.

**Monthly Installments**

Conveniently, we offer monthly installments for our families that do not wish to pay the program cost in full at the beginning of the season. Because the gym is essentially paying all the costs up front, and having these fees paid back to us in monthly installments, we are providing a loan for our families. These types of monthly installments will have 7% interest added as seen above.

**What's Included In My Monthly Installment?**

Monthly installments include tuition, practice wear, a warm up jacket, team music, competition make up, a competition bow, and competition fees and are charged on the schedule above. A competition uniform is the only separate fee that will be charged on the schedule above. Other fees include the \$50 Dynamic Elite Parent Booster Club buy-in and the end of the season competition fee. Other fees may occur throughout the season and families will be notified in a advance if needed.
