

2023-2024 HALF YEAR

We are excited to welcome you to season 11 at Dynamic Elite Athletics! Our mission is to train children and adults to gain confidence, self-respect, teamwork and sportsmanship within a safe, disciplined, and family friendly environment through the art of cheer, tumbling, and other life skills.

Our Core Values are: committed, family, integrity, leadership, motivating, positivity, and character.

Our half year all star cheerleading programs are open to all athletes born between 2005-2016. We place individuals of all skill levels and will form teams based on overall abilities that will create success for the athletes and their team. Our organization was established in 2013, opening our doors with 3 athletes, expanding to over 150 athletes in our all star cheerleading programs.

Monthly Installments

Conveniently, we offer monthly installments for our families that do not wish to pay the program cost in full at the beginning of the season. Because the gym is essentially paying all the costs up front, and having these fees paid back to us in monthly installments, we are providing a loan for our families. These types of monthly installments will have 7% interested added as seen above.

What's Included In My Monthly Installment?

Monthly installments include tuition, practice wear, team music, choreography, a competition bow, and competition fees and are charged on the schedule above. A competition uniform is the only separate fees that will be charged on the schedule above. Other fees include the \$50 Dynamic Elite Parent Booster Club buy-in. Other fees may occur throughout the season and families will be notified in a advance if needed.
